

PLASMOR BLOCKS STILL ON TRACK

Why Yorkshire Blocks will give us track success in 2012

2011 sees Plasmor celebrate 25 years of concrete block deliveries into London and the South East of England by rail haulage. In celebration of this, and in recognition of the signing of a further 10 years rail haulage agreement, Mark Barratt, right, Account Manager of DB Schenker Rail UK, makes a presentation to Julian Slater, Managing Director of Plasmor Limited.
