

PREMIA 50 & PREMIA 60 SMOOTH WIDER PLASPAVE

Premia₅₀
SMOOTH WIDER PLASPAVE

DIMENSIONS

Thickness	(mm)	50
Size	(mm)	200 x 125

PACK INFORMATION

Pack Contents	(units)	368
Pack Coverage	(m ²)	9.2
Pack Weight	(kg)	1032

Premia 50 and Premia 60 are both considerably larger than the traditional rectangular block paving and can be laid in various eye-catching patterns, including herringbone and stretcher bond for a smoothly stylish, colourful option. Both offer the additional benefit of larger unit size which means fewer are needed to pave an extensive area.
