

GINESTRO QUAD 'n' TINI **BURNT UMBER**

GINESTRO QUAD 'n' TINI **GRANITE STONE**

Achieving an instant mature appearance, **GINESTRO QUAD** and **GINESTRO TINI** Weathered Setts are a welcome addition to the Plaspave range. Why not lay them together to provide truly extensive and versatile laying patterns which will offer fantastic scope for achieving unusual paving designs.

**GINESTRO QUAD 'n' TINI** can be laid randomly or in a more formal pattern adding charm and distinction to your home and garden. **GINESTRO QUAD 'n' TINI** can also be combined with **COMO** to create striking visual motifs on a driveway or patio.

*All LAYING PATTERNS shown are Stretcher Bond.*
