

TRADITIONAL BRINDLE

GRANITE STONE

62

These modular setts have textured edges and aged upper surfaces which are perfect for transforming landscapes large and small. Available in two sizes which are packed separately, **PALERMO** offers design and detailing flexibility and they are the ideal choice to create unique laying patterns with a fashionable weathered look.

All LAYING PATTERNS shown are Stretcher Bond.

PEAKSTONE

Modular Setts for landscaping that is
Colourful & Fashionable

ADVISORY LAYING NOTE

When laying **PALERMO** you need to protect the wacker plate with a rubber or neoprene mat to protect the riven surface of the paving. A generous covering of jointing sand will also help protect the surface.
